

Swachhata Pakhwada Report

Swachhata Pakhwada is a national fortnightly cleanliness campaign initiated by the Government of India under the *Swachh Bharat Abhiyan*. **Aravali College of Engineering and Management, Faridabad Haryana** has organized this initiative **1st to 15th September 2025** coordinated by CSR & Green Initiative Committee – Community of college, with enthusiastic participation from students, staff, faculty members along with the head of the institution, to promote awareness on cleanliness, hygiene, and sanitation among students, faculty, and the surrounding community. Our Objective to promote cleanliness in the college and nearby areas, Spread awareness on sanitation and hygiene practices, Involve students in community service related to environmental sustainability and Reduce the use of plastic and encourage proper waste segregation

Swachhata Pakhwada 2025 at Aravali College was a grand success. It not only enhanced the cleanliness of the campus but also instilled a deeper sense of civic responsibility in the students. The active involvement of faculty and students proved that small actions can lead to meaningful change. We look forward to continuing such initiatives in the future for a cleaner, greener India.

Glimpses of the Event
