

State Level Competition on 26th September 2025 Khelo Haryana Mahakumbh 2025 – Palwal

Khelo Haryana Mahakumbh 2025 is a flagship state-level sports initiative launched to promote a culture of fitness, talent development, and competitive spirit among the youth of Haryana. Organized across multiple districts, the Mahakumbh brings together athletes from schools, colleges, and sports academies to compete in a wide range of games including athletics, archery, kabaddi, volleyball, wrestling, and more.

The primary aim of this mega sporting event is to **identify and nurture hidden talent**, provide opportunities for young athletes to showcase their skills, and prepare them for national and international platforms. It also focuses on encouraging **team spirit, discipline, sportsmanship, and healthy lifestyles** among the youth.

By hosting large-scale competitions such as archery at Palwal, Khelo Haryana Mahakumbh 2025 strengthens the state's vision of building a robust sporting ecosystem, positioning Haryana as a powerhouse of sports in India.

Aravali College Shines at Khelo Haryana Mahakumbh 2025

Aravali College of Engineering and Management proudly participated in the **State Level Archery Competition** held at Palwal under Khelo Haryana Mahakumbh 2025. The event witnessed enthusiastic participation from talented archers across Haryana, showcasing their dedication, focus, and sportsmanship.

With remarkable determination and skill, the **Aravali College team secured the Bronze Medal**, bringing glory to the institution. This achievement not only highlights the hard work and commitment of the students but also reflects the college's continuous encouragement towards sports and holistic development.

The success of ACEM at such a prestigious platform serves as an inspiration for all students to actively participate in sports and strive for excellence in every field.

Glimpses of the Event:
