

Report on Shree Vishwakarma Pooja
Organized by Department of Mechanical Engineering
Date: 17th Sep 2025

The Mechanical Engineering Department of **Aravali College of Engineering and Management** organized *Vishwakarma Pooja* with great devotion and enthusiasm on **17th September 2025** in the Mechanical Workshop. The event was graced by the presence of **Director Sir, HODs, faculty members, staff, and students.**

Lord Vishwakarma, regarded as the divine architect and the god of engineering and craftsmanship, was worshipped to seek blessings for skill, creativity, and prosperity. The pooja began at **10:40 AM** with traditional rituals, followed by offerings and prayers performed in the Mechanical Workshop.

The event was marked by active participation from faculty members, technical staff, and students. After the rituals, prasad was distributed among all attendees. The atmosphere was filled with devotion and a sense of togetherness.

The celebration also highlighted the significance of **safety, precision, and dedication in technical work**, which are the core values of engineering.

The program concluded with the blessings of Lord Vishwakarma, wishing for progress, innovation, and harmony in the department.
